As iron sharpens iron, so one man sharpens another – Proverbs 27:17

Iron Sharpens Iron is a group started to create fellowship, support, and accountability amongst men. We believe men are called to be leaders in families, their communities, and in the lives of future generations. In support of that realization, we are hosting an event to be proactive in our responsibilities as men. The concept of our **Roll Call – Men's Day BBQ in the Park** is to bring together men of all ages, races, and backgrounds for a day of fellowship, networking, fun, and food. We look to connect men with other men who are not in their current circles or networks to become familiar with each other, understand each other, learn from each other, show support for each other, and become a united front in our city. The event will take place on **Sunday, June 16, 2024**, from **2pm to 6pm**, and will be held at the **Huber Park, 2401 4th Ave, Lake Charles, La**. This event will be free to all who attend. We are reaching out to you today to make you aware of the event, and to personally invite you. The event is financed and funded solely out of pocket and from donations, and so we are also asking for your support whether it be financially, through food or product donations, or through volunteering.

Iron Sharpens Iron prides itself on being community minded, and we seek your help in whatever way you're willing to offer it. Please contact us to discuss how you can be of service, or simply submit your commitment below. We are also open to ideas, suggestions, and comments from you our sponsors, business owners, and members of the community on how to better our city for everyone. Thanking you in advance for your continued support.
